

HINDSIGHT

Napa Valley

2014 Hindsight Cabernet Sauvignon

2014 was an outstanding vintage for Cabernet Sauvignon in Napa Valley. A mild spring followed by classic Cabernet weather of cool evening and mornings with warm days created perfect growing conditions throughout the valley. We used grapes from Atlas Peak, Spring Mountain, and the valley floor to create this lush and full-bodied wine. Flavors and aromas of dried cherries, raspberries, coffee, cocoa, minerals, and hints of oak lead to a long, velvety finish. This wine explodes on the mid-palate with a core of dark red fruit that continues through to the finish.

Tech Notes

Winemaker: Jac Cole

Appellation: Napa Valley

pH: 3.69

Total Acidity: 5.62 g/L

Alcohol: 14.5%
