

HINDSIGHT

Napa Valley

2013 Howell Mountain Cabernet Sauvignon, Napa Valley

The Bella Vetta Vineyard is located 2,000 feet in elevation within the highly acclaimed Howell Mountain AVA district of Napa Valley. Cabernet Sauvignon grown here is internationally famous for its bold and full-bodied flavor. Vineyard owners Ami and Jac Cole (our winemaker) have put their combined 50 years of experience into each and every bottle. This fabulous wine is ruby-garnet hued with well-defined aromas of red fruit, specifically cherry, with overtones of chocolate and clove. The presentation is elegant and the palate rich and full-bodied with loads of silky tannins. The flavors persist in a finish that is both sophisticated and powerful.
